## Teachers' body protests freeze on hiring

STAFF REPORTER  
Mumbai

More than 9,000 schools in Maharashtra will be closed on Friday to draw the attention of the state government to the issues faced by teachers and non-teaching staff, the Shikshan Mahamandal has said.

Teachers claim they have been deprived of their rights for the last four to six years. Vijay Naval Patil, leader of Shikshan Mahamandal, said, "Since 2012, there has been a freeze on hiring of teachers and other non-teaching staff in all government schools of the state. There have been discrepancies in appointment of teachers in all schools and we have been constantly raising our concerns."

Over 9,000 schools across the state are expected to participate in this protest and stay shut on Friday accord-

ing to Patil. "We want to draw the attention of state government as they have been paying no heed to our demands. Teachers are being burdened with non-academic work without any hike in their salary. Also, teachers are forced to approach the court for their appointment," he added.

In addition, there are other demands, which have not been met despite protests by teachers and school authorities. A teacher added, "We are appealing to all the schools of the state to participate in this protest and stay shut for one day to compel the government to discuss and resolve problems."

# Over 2L pupils finally in FYJC, after 11 admission rounds

## DESPITE FACING DIFFICULTIES, STUDENTS SAY PROCESS HAS BEEN STREAMLINED

RONALD RODRIGUES  
Mumbai

Finally, over 2.32 lakh students have been admitted to First Year Junior College (FYJC) this year, at various institutions in the Mumbai Metropolitan Region (MMR), bringing to an end the protracted admission process which began in July. Eleven rounds of admission were conducted to reach this milestone.

Despite new additions to the system, 11 admission rounds were conducted this year. These included two rounds for bifocal courses, four general merit, one special and four first come first served (FCFS) rounds. A senior officer of the state education department managing FYJC admissions said, "Due to the ruling of the Bombay High Court (HC), the entire FYJC admission process was online this year. Students

faced issues in filling forms, but these were resolved."

Students claim the admission process was streamlined this year, as the entire procedure was completely online. About 2.58 lakh students registered for the process and there were over three lakh seats available in 814 colleges of the MMR. This region comprises junior colleges in Mumbai, urban areas of Thane, Kalyan, Dombivli, Vashi and Navi Mumbai.

Also, the students were given the facility of 'Proceed to Apply' button, which helped them confirm their admissions to any college allotted through the system.

Nandini Sakpal, a student, said, "Last year, we faced confusion as colleges confirmed our admissions without our confirmation. We could not even withdraw our admission or change our college preferences. This year, we had the upper hand, to con-

firm our admission and take the final decision."

Education department sources said there are over 18,000 students who have not been admitted through FYJC admission. A senior officer said, "These students may have opted for diploma, industrial training or polytechnic courses. Some students may have also opted to study in other cities or states so they have not been admitted through FYJC process."

The accused have been identified as Mohammed

Kamal Anwar Shaikh (56), Tinku Dinesh Raj (36) and Fareed Ul Haq Shah alias Tipu (55).

The trio used to work as agents. They have been arrested for putting person in fear of death or of grievous hurt to commit extortion (Section 387), cheating (Section 420), trafficking of minor girls (Section 370 (1)) and common intention (Section 34) of the Indian Penal Code and punishment for living on the earnings of prostitu-

tion (Section 4), Section 5 and Section 6 of the Immoral Traffic (Prevention) Act.

The complainant, a resident of Rajasthan, was on July 13 sent to Bahrain on the pretext of working as a chef in a hotel. The girl had contacted her mother in Rajasthan and informed her that she was trapped in a prostitution racket.

The accused have been remanded in police custody until November 2.

# Blast at chemical waste dump in Taloja MIDC; 1 hurt

STAFF REPORTER  
Mumbai

A worker was injured in an explosion at the Taloja Maharashtra Industrial Development Corporation (MIDC) area of Navi Mumbai on Monday morning. Police said the incident occurred at 8.15am, when the JCB machine, was digging a hole to dispose of toxic chemical waste. JCB machine's excavator bucket hit the drum it was going to bury, resulting in a blast. The tremors caused were felt in the nearby villages, as far as Kalyan.

"The explosion was so massive, the JCB machine flew right out of the pit and landed upside down, a few metres from it," said supervisor Vidyakant Mishra. "Since I was away checking other operations, I escaped unhurt. However, the JCB machine driver, Santosh Patil, 42, sustained serious injuries," said Mishra.

The industrial waste collected from Mumbai and neighbouring places is dumped on Taloja MIDC land. Police said on Monday, when workers were dumping the chemicals that had been separated from the industrial waste on land owned by the Mumbai Waste Manage-

ment Ltd, they realised there was an emission from one of the drums.

Mishra decided this drum would be kept aside, to dispose of it separately. As the JCB machine dug the hole and was placing the drum in the pit, the excavator bucket of the machine accidentally hit the drum, resulting in an explosion.

Three fire tenders were rushed to the spot to contain the flames. Patil was removed safely from the overturned machine and rushed to the Ashtavinayak Hospital. A doctor treating Patil said, "The driver sustained injuries in the face, stomach, torso and legs. Shards of glasses pierced into his body due to the explosion. He will be kept under observation for two days."

Ajaykumar Landge, senior inspector of Taloja police station, said the machines and chemicals found at the spot were seized and sent for forensic analysis. "Teams from the Maharashtra Pollution Control Board, bomb disposal squad, forensic analysts and the anti-terrorism squad have intervened in the matter, and it is being investigated by Taloja Police. We are awaiting the reports," said Landge.
