IND AS Transition

- Housing Finance regulator National Housing Bank has directed HFC's to comply with provisions of IND AS as notified by the Ministry of Corporate Affairs(MCA) with effect from April 1, 2018.
- In line with the above directions, results of Q1 FY 18-19 of LICHFL are prepared and published complying with IND AS provisions. Additionally figures of Q1 FY 17-18 have been restated as per IND AS.

Key Impacts due to IND AS

	Existing Indian GAAP	IND AS
Effective Interest rate	Loan Processing fees are recognized upfront in P&L and Cost related to Loans are debited in P&L.	Under IND AS these fees will be amortized over the life of the loan using Effective Interest Rate method.
Asset Classification & Provisioning	Rule-based, incurred loss model	Expected Credit Loss (ECL) model based on expected future credit losses
Interest Income on NPA	The RBI guidelines require interest income on NPA to be recognized on realization basis.	Under IND AS 109, interest income is generally recognized depending on the stage in which the loan is.
Investment in Mutual Fund, G-Secs. & Debt Securities	Accounted at cost and provision for diminution charged to P&L	Accounted at fair value through P&L
